

Please do not overturn DO NOT CALL. It is very annoying coming home after a long day of work and being constantly interrupted by telemarketing phone calls when you are trying to start dinner and deal with your children's homework. Any calls I receive after work need to be family, friends, etc. not an annoying person trying at all cost to sign me up for something I am not interested. The worse part is, you can say "no thank you" and will continue to be harassed by telemarketers.
